

National Hispanic Heritage Month 2024

By Library of Congress et al

September 15 to October 15 is National Hispanic Heritage Month. The Library of Congress, National Archives and Records Administration, National Endowment for the Humanities, National Gallery of Art, National Park Service, Smithsonian Institution, and United States Holocaust Memorial Museum join in paying tribute to the generations of Hispanic Americans who have positively influenced and enriched our nation and society.

Each year, Americans observe National Hispanic Heritage Month by celebrating the histories, cultures, and contributions of American citizens whose ancestors came from Spain, Mexico, the Caribbean, and Central and South America.

The observation started in 1968 as Hispanic Heritage Week under President Lyndon Johnson and was expanded by President Ronald Reagan in 1988 to cover a thirty-day period starting on September 15 and ending on October 15. It was enacted into law on August 17, 1988, on the approval of Public Law 100-402.

The day of September 15 is significant because it is the anniversary of independence for Latin American countries Costa Rica, El Salvador, Guatemala, Honduras, and Nicaragua. In addition, Mexico and Chile celebrate their independence days on September 16 and September 18, respectively. Also, Columbus Day or Día de la Raza, which is October 12, falls within this thirty-day period.

The Law Library of Congress has compiled guides to commemorative observations, including a comprehensive inventory of the Public Laws, Presidential Proclamations, and congressional resolutions related to Hispanic Heritage Month.

The official National Hispanic Heritage Month website is a collaborative project of the Library of Congress and the National Endowment for the Humanities, National Gallery of Art, National Park Service, Smithsonian Institution, United States Holocaust Memorial Museum, and United States National Archives and Records Administration. Content includes information on exhibits and collections, various audio and video resources, ideas for teachers, a gallery of images, and a section about National Hispanic Heritage Month.

Other dedicated websites for National Hispanic Heritage Month include National Archives and Records Administration, National Endowment for the Humanities (EDSITEment), National Park Service, and Smithsonian Education.
